

Summary of Technical Changes

Section	Synopsis	References
Accessible (as applied to wiring methods)	Revised and expanded definition for clarity.	FR-8399
Air-Conditioning or Comfort-Cooling Equipment	Deleted definition.	SR-8504
Appliance	Revised definition.	SR-8329, SR-8558, SR-8559
Associated Apparatus	Added Informational Note No. 3.	SR-7576
Associated Nonincendive Field Wiring Apparatus	Revised definition and added Informational Note No. 2.	SR-7581
Attachment Fitting, Weight Supporting (WSAF)	Revised definition to distinguish a weight supporting attachment fitting from an attachment plug and added Informational Note No. 2.	FR-7637, SR-8118
Bathroom	Revised definition to remove the term “basin”.	FR-8774
Battery	Revised title of defined term from <i>storage battery</i> to <i>battery</i> , revised the text for consistency with the definition of <i>battery</i> in NFPA 855, and removed former <i>battery system</i> definition.	FR-9046, FR-9127
Battery, Flow	Revised to remove the term “fuel cell” from the definition.	FR-9076
Battery, Sealed.	Revised to create separate definitions for <i>cell, sealed</i> and <i>battery, sealed</i> to differentiate the two.	FR-9629
Berth	Revised definition and added Informational Note.	SR-8582
Branch Circuit, Motor	Added definition to differentiate between a branch circuit and a motor branch circuit.	FR-7980, SR-7587
Branch Circuit, Multiwire	Revised definition to replace the term “grounded conductor” with “neutral conductor.”	FR-8779
Building, Floating	Revised definition.	SR-8502
Cable, Abandoned	Revised definition and added an Informational Note.	FR-9570, SCR-112
Cable, Circuit Integrity (CI)	Revised definition and added Informational Note.	FR-9555, SCR-137
Cable, Optical Fiber, Hybrid	Revised definition to replace the term “composite” with “hybrid” to align with industry definitions.	FR-8810
Cable, Portable Power Feeder	Added definition.	FR-8630, SR-8251
Cable Connector [as applied to hazardous (classified) locations]	Added definition and Informational Notes.	FR- 8234, SR-7602
Cable Joint	Added definition.	FR-8622, SR-8234
Cable Management System	Revised definition.	FR-9493, SR-7736
Cable Sheath	Revised definition.	SR-7962
Cable Termination	Added definition.	FR-8623, SR-8239
Cell, Sealed	Revised to create separate definitions for <i>cell, sealed</i> and <i>battery, sealed</i> to differentiate the two.	FR-9629
Cell Line	Revised definition to remove the reference to only Article 668.	SCR-115
Class 1 Circuit	Revised definition to include Class 1 and deleted the Informational Note.	FR-9556
Class 4 Circuit	Revised definition and added Informational Note.	SCR-97
Class 4 Transmitter	Revised definition and added Informational Note.	SR-8700
Class 4 Tray Cable (CL4TC)	Deleted definition.	SR-8660
Clothes Closet	Revised definition and relocated former Figure 100.1 to 410.16.	SR-8119
Combustible Dust	Revised definition and Informational Note.	SR-7606
