

<b>Article 358</b>	<b>Electrical Metallic Tubing (EMT)</b>	<b>395</b>			
Part I.	General	395		Part III.	Construction Specifications (Concealable Nonmetallic Extensions Only)
Part II.	Installation	396			422
Part III.	Construction Specifications	398		<b>Article 384</b>	<b>Strut-Type Channel Raceway</b>
				Part I.	General
<b>Article 360</b>	<b>Flexible Metallic Tubing (FMT)</b>	<b>398</b>		Part II.	Installation
Part I.	General	398		Part III.	Construction Specifications
Part II.	Installation	399			424
Part III.	Construction Specifications	400		<b>Article 386</b>	<b>Surface Metal Raceways</b>
				Part I.	General
<b>Article 362</b>	<b>Electrical Nonmetallic Tubing (ENT)</b>	<b>400</b>		Part II.	Installation
Part I.	General	400		Part III.	Construction Specifications
Part II.	Installation	400			425
Part III.	Construction Specifications	404		<b>Article 388</b>	<b>Surface Nonmetallic Raceways</b>
				Part I.	General
<b>Article 366</b>	<b>Auxiliary Gutters</b>	<b>404</b>		Part II.	Installation
Part I.	General	404		Part III.	Construction Specifications
Part II.	Installation	404			426
Part III.	Construction Specifications	406		<b>Article 390</b>	<b>Underfloor Raceways</b>
				Part I.	General
<b>Article 368</b>	<b>Busways</b>	<b>406</b>		Part II.	Installation
Part I.	General	406			427
Part II.	Installation	406		<b>Article 392</b>	<b>Cable Trays</b>
Part III.	Construction	409		Part I.	General
Part IV.	Requirements for Over 1000 Volts, Nominal	409		Part II.	Installation
				Part III.	Construction Specifications
<b>Article 369</b>	<b>Insulated Bus Pipe (IBP)/Tubular Covered Conductors (TCC) Systems</b>	<b>410</b>			437
Part I.	General	410		<b>Article 393</b>	<b>Low-Voltage Suspended Ceiling Power Distribution Systems</b>
Part II.	Installation	410		Part I.	General
Part III.	Construction Specifications	411		Part II.	Installation
				Part III.	Construction Specifications
<b>Article 370</b>	<b>Cablebus</b>	<b>411</b>			440
Part I.	General	411		<b>Article 394</b>	<b>Concealed Knob-and-Tube Wiring</b>
Part II.	Installation	411		Part I.	General
Part III.	Construction Specifications	413		Part II.	Installation
				Part III.	Construction Specifications
<b>Article 371</b>	<b>Flexible Bus Systems</b>	<b>413</b>			441
Part I.	General	413		<b>Article 395</b>	<b>Outdoor Overhead Conductors over 1000 Volts</b>
Part II.	Installation	413			441
Part III.	Construction Specifications	414		<b>Article 396</b>	<b>Messenger-Supported Wiring</b>
				Part I.	General
<b>Article 372</b>	<b>Cellular Concrete Floor Raceways</b>	<b>415</b>		Part II.	Installation
Part I.	General	415			442
Part II.	Installations	415		<b>Article 398</b>	<b>Open Wiring on Insulators</b>
				Part I.	General
<b>Article 374</b>	<b>Cellular Metal Floor Raceways</b>	<b>415</b>		Part II.	Installation
Part I.	General	415		Part III.	Construction Specifications
Part II.	Installation	416			444
Part III.	Construction Specifications	417			
<b>Article 376</b>	<b>Metal Wireways</b>	<b>417</b>		<b>Chapter 4</b>	<b>Equipment for General Use</b>
Part I.	General	417			<b>445</b>
Part II.	Installation	417		<b>Article 400</b>	<b>Flexible Cords and Flexible Cables</b>
Part III.	Construction Specifications	418		Part I.	General
				Part II.	Construction Specifications
<b>Article 378</b>	<b>Nonmetallic Wireways</b>	<b>418</b>		Part III.	Portable Cables Over 600 Volts, up to 2000 Volts, Nominal
Part I.	General	418			456
Part II.	Installation	418		Part IV.	Portable Power Feeder Cables Over 2000 Volts, Nominal
Part III.	Construction Specifications	420			456
				<b>Article 402</b>	<b>Fixture Wires</b>
<b>Article 380</b>	<b>Multioutlet Assembly</b>	<b>420</b>			459
Part I.	General	420		<b>Article 404</b>	<b>Switches</b>
Part II.	Installation	420		Part I.	General
				Part II.	Construction Specifications
<b>Article 382</b>	<b>Nonmetallic Extensions</b>	<b>421</b>			468
Part I.	General	421		<b>Article 406</b>	<b>Receptacles, Cord Connectors, and Attachment Plugs (Caps)</b>
Part II.	Installation	421			469
