

Summary of Technical Changes

Section	Synopsis	References
Enclosed-Break	Added definition.	FR-8666, SR-7621
Energized, Likely to Become	Added definition.	FR-8245, SR-8033
Energy Storage System (ESS)	Revised definition and Informational Note.	FR-9075
Equipment Protection Level (EPL)	Added definition and Informational Notes.	FR-8766, SR-7622
Equipotential Plane	Revised definition and title of defined term.	FR-8571, SCR-164
Equipotential Plane (as applied to agriculture buildings)	Revised definition and title of defined term.	SR-8569
Explosionproof Equipment	Revised definition and Informational Notes.	SCR-142
Exposed (to Accidental Contact)	Deleted Informational Note.	SR-7960
Fault-Managed Power	Added definition and Informational Notes.	SCR-98
Feeder Assembly	Revised definition.	FR-7690, SR-8517
Fibers/Flyings, Combustible	Added definition and informational Notes.	SR-7795
Fibers/Flyings, Ignitable	Added definition.	SR-7796
Generating Capacity, Inverter	Revised definition and title of defined term.	FR-9345
Generator (Generator Set)	Added definition.	FR-8978
Ground-Fault	Revised definition.	FR-8243, SR-8026
Ground-Fault Circuit Interrupter, Special Purpose (SPGFCI)	Added definition.	SCR-117
Ground-Fault Current Path, Effective	Revised definition and title of defined term.	FR-8244, SR-8029
Ground-Fault Detector Interrupter, dc (GFDI)	Added definition and Informational Note.	FR-9367, SCR-69
Grounding Conductor, Impedance	Added definition.	FR-8214, FR-8216
Hybrid System	Deleted definition.	FR-9346
Increased Safety “e”	Revised definition and title of defined term.	SR-7773
Insulating End	Revised definition and title of defined term.	SR-8228
Interactive Mode	Revised definition and title of defined term and added Informational Note.	FR-9347, SR-8243
Intrinsically Safe Apparatus	Added Informational Notes.	SR-7626
Intrinsically Safe Circuits, Different	Revised title of defined term and added Informational Note.	SR-7613
Intrinsically Safe System	Added Informational Notes.	SR-7629
Inverter, Interactive	Revised definition.	FR-9126
Inverter, Multimode	Revised definition.	FR-9348
Inverter, Stand-alone	Added definition.	FR-9352
Island Mode	Revised definition.	FR-9349, SR-8245
Legally Required Standby Systems	Relocated Informational Note from definition to Article 701.	FR-9624
Lighting Assembly, Cord-and-Plug Connected	Revised definition and title of defined term.	SR-8360
